EXECUTIVE SESSION: Potential litigation – update

Revisions to the Massachusetts Wetlands Protection Act Regulations, 310 CMR 10.00 became effective March 1, 2005. The standards to establish standing to file an adjudicatory appeal have been tightened. In order to show standing as a basis for such an appeal, ten-citizen groups, aggrieved persons, and abutters need proof of prior participation (a person(s) needs to have submitted written comments during the hearing process).
