TOPSFIELD is a great town to live in. We have many streams, wetlands, areas that flood, vernal pools, and Hoods Pond. The Conservation Commission wants to assist Topsfield landowners to proceed with their projects while simultaneously protecting the valuable Wetland Resource Area functions and values that benefit everyone. *Therefore, the Conservation Commission asks that you please contact our office if you have plans for:*

- **Tree removal and other vegetation clearing**

- **General construction, additions, adding a pool**
- **Septic system upgrade or repair**
- **Adding a deck, shed, patio, or gazebo**
- **Grading or excavation, addition of soil**
