

THE COMMISSION ON THE STATUS OF
GRANDPARENTS RAISING GRANDCHILDREN AND
THE ATTORNEY GENERAL'S OFFICE

TOWN HALL

Kinship Caregivers Raising Children Impacted by Substance Use

Join members of The Commission on the Status of Grandparents Raising Grandchildren and The Attorney General's Office to learn, share, and exchange information about the impact of the opioid epidemic and other substance use on kinship caregivers in Massachusetts. Each session will include a brief presentation, an open forum for kinship caregivers to share their experiences and to make suggestions, and an opportunity to connect with local resources for caregivers and their loved ones.
